## Fun Project Idea:

Use a lid and band on the jar for candy and other small items or leave jar open for pencils and desk accessories.

**Step 1, Getting Started:** Read all instructions before starting. Assemble all supplies.

**Step 2, Painting:** Lay cardboard box on its side over newspaper in a well-ventilated area. Set lid and band down in the box. Spray outside of lid and band with several light coats of Flat Black paint, letting paint dry between coats. Set aside to dry.

**Step 3, Decorating Jar:** Place three glue lines around jar. Make a second layer by placing another line of glue over previously placed glue lines. Attach crayons vertically onto jar by pressing into glue lines. Wrap ribbon around crayons, tie into a knot and trim ends at an angle. Place lid on top of jar and twist jar band onto jar.
