**Step 1, Getting Started:** Read all instructions for the Frankenstein Candy Jar before starting. Assemble all supplies.

**Step 2, Frank's Head:** With a medium Paintbrush, paint Jar with Lime Green Paint. Allow to dry. Flip Jar over so bottom is facing up. Using a small Paintbrush, paint bottom of Jar with Black Paint. Continue painting 1 inch down side of Jar, ending in spikes for "hair."

**Step 3, Frank's Face:** With Craft Glue, glue Wiggle Eyes to center of Jar. Using a Black Permanent Marker, draw Frank's eyebrows, nose and mouth. With a small Paintbrush, paint a white tooth on mouth. Draw Frank's "ouchies" with Red and Black Permanent Markers.

**Step 4, Finishing Touches:** Paint Band with Black Paint. Adjust onto Jar. Cut two 2-inch pieces from Pipe Cleaner. Fold ¼-inch of one end up. Glue folded ends onto side of neck of Jar. Fill Frank with Candy Corn or other favorite Halloween Candy for a spooky table decoration.
