## Fun Project Idea

Your Funny Bunny can hold anything from flowers to candy to pencils. Teachers will love receiving this gift to decorate their school room or desk.

**Step 1, Getting Started:** Read all instructions for Funny Bunny Jar before starting. Assemble all supplies.

**Step 2, Assembling Funny Bunny Base:** Lay cardboard box on its side over newspaper in a well-ventilated area. Place jar and band separately inside box. Put on rubber gloves. Spray white paint onto jar and band. Allow to dry; repeat if necessary for an even coating. Adjust band onto jar.

**Step 3, Funny Bunny Head:** Print provided bunny "head" template. Trace head onto stiff white felt; cut out. Glue wiggle eyes in place. Cut pipe cleaners into thirds; glue below wiggle eyes. Glue pink pom pom "nose" below eyes and centered between pipe cleaner "whiskers." Draw mouth beneath nose with black non-permanent marker. Trace inner ears template onto pink felt; cut out. Glue pink inner ears onto center of larger white bunny ears. Fold one ear over and glue into place for a playful touch. Insert "neck" of bunny into jar opening to hold Funny Bunny's head in place.

**Step 4, Funny Bunny Arms:** Print provided bunny "arms" template. Trace arms onto white felt; cut out. Use black permanent marker to draw on bunny paws. Glue arms to the back of the jar. Wrap arms to the front of the jar and glue in place. Glue white pom pom "bunny tail" at the bottom center on the back of the jar.

**Step 5, Finishing Touches:** Fill your Funny Bunny Jar with a fresh bouquet of flowers!
