6 Mini Pom Poms
(Any Color)

**Additional craft supplies
to have on hand:** Scissors,
white household or craft glue,
clear tape and paper towels.

Step 1, Getting Started: Read all instructions for Bug Catcher Jar before starting. Assemble all supplies.

Step 2, Assembling Jar Base: To decorate Jar, apply Leaf and/or Bug Themed Stickers to Jar (may be placed on interior or exterior surface). Put Brown or Green Paper Shred in bottom of Jar to represent dirt or grass.

Step 3, Making Dragonflies: Cut Ribbon into 4-inch pieces (3 feet of ribbon will yield 9 pieces). Holding two pieces together, tie into a bow as if tying shoe laces. Pinch a Clothespin onto the center of the bow. Glue on two Pom Poms for eyes. Glue a piece of Ribbon to mid-section of Clothespin to hang dragonfly from Lid. Repeat steps to make a total of 3 dragonflies.

Step 4, Dangling Dragonflies From Lid: Turn the Lid upside down on flat surface (gold side down). Tape end of Ribbon to Lid. To check length, place Lid on Jar to see how low the dragonfly hangs. Adjust as necessary. Repeat until all 3 dragonflies are securely fastened to Lid. Place Lid on Jar, allowing dragonflies to dangle inside Jar.

Step 5, Finishing Touches: Place two squares of Tulle, one on top of the other, over Lid and carefully adjust Band onto Jar.

Fun Project Idea

Using pom poms, pipe cleaners, buttons and wiggly eyes, try to create a caterpillar, spider or butterfly for your jar.
