Step 1, Getting Started: Read all instructions for the Red, White & Blue Brownies before starting. Assemble all supplies.

Step 2, Layering Dry Mix: Combine Flour, Baking Powder and Salt until evenly blended. Put mixture into Jar. Layer remaining ingredients into Jar in order listed. Use a Jar Tamper to firmly pack each layer. Adjust Lid and Band. Makes base for one recipe of Red, White & Blue Brownies.

Step 3, To Prepare Brownies: Preheat oven to 350°F. Place brownie mix from Jar into a large mixing bowl. Add Butter and Eggs. Mix until completely blended. Spread into a lightly greased 9- x 9-inch pan. Bake at 350°F for 35 minutes or until brownies just begin to pull away from the sides of the pan. Cut brownies into 2-inch squares. Makes about 16 Brownies.

Step 4, Finishing Touches: Decorate your mix-in-a-jar with red, white and blue accents for the perfect hostess gift at a cookout or barbeque. Be sure to attach a Recipe Card to the jar, complete with “To Prepare” ingredients and instructions.
