Rubber gloves and paper
towels.

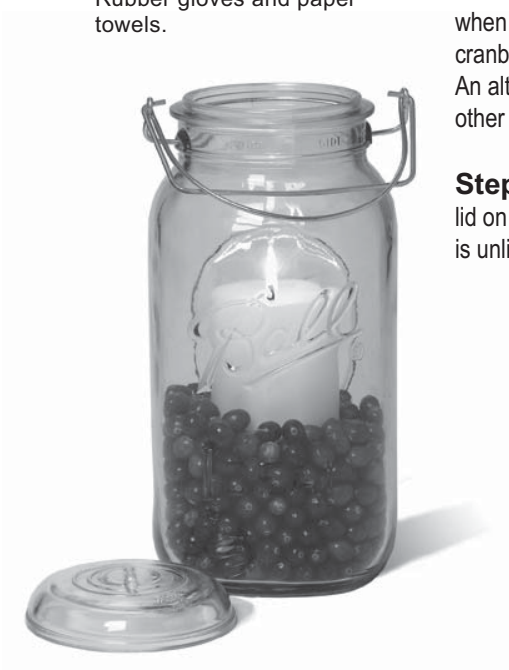

Step 1, Getting Started: Read all instructions for Jar Candlescape before starting. Assemble all supplies..

Step 2, Assembling

Candlescape: Place the pillar candle inside the Creative Container. With one hand holding candle in place, pour fresh cranberries into Jar to desired fill line.

Note: You will want to put the cranberries in at the time of your holiday party or when you'll be burning the candle as fresh cranberries will not last the entire season. An alternative may be red marbles or other festive, non-perishable material.

Step 3, Finishing Touches: Place lid on Creative Container when the candle is unlit. When lighting, simply remove lid.
