Sock (Any Color)

Raffia

3 Tiny Jingle Bells

**Additional craft supplies
to have on hand:** Scissors,
white household or craft
glue, ¼-inch hole punch
and paper towels.

Step 1, Getting Started: Read all instructions for Patrick the Penguin Jar before starting. Assemble all supplies.

Step 2, Assembling Patrick the Penguin Body:
Print provided templates and cut out. Trace "Penguin Body" onto black construction paper and cut out. Trace "Penguin Front" onto white construction paper and cut out. Trace "Penguin Beak" and "Penguin Feet" onto yellow paper and cut out. Wrap "Penguin Body" around jelly jar, making sure bottom edge aligns with bottom of jar. Overlap edges and glue at back of jar. Glue "Penguin Front" onto body at front of jar.

To Make the Hat: Cut off ribbed half of sock and turn up to form 1-inch fold. Stuff a paper towel into the top of the hat. Adjust lid and band onto jar. Fit ribbed sock hat over jar over lid and band. Thread bells onto raffia and use to tie top half of hat closed. Trim raffia lengths as desired. Secure sock hat onto jar with a few dots of glue.

To Make the Scarf: Cut two 1-inch bands from the remaining part of sock. Slide one band around jar up to the curvy part of the white pattern. Cut open the other band and tie in a knot over the band on the jar. Glue in place with a couple dots of glue. Cut fringe into ends of scarf.

To Make the Face: Glue beak just above scarf in the center of the face. Punch two holes from black construction paper and glue on face just above beak. Snip the corner off white construction paper to make highlights of eyes and glue into place.
